BiOBiO

PROFESSIONAL GEL SYSTEM

MICRO SILVER GEL

NAIL RESTORATION GEL.

Revive damaged nails to a clean, healthy appearance.

Micro-silver particles work on the skin's surface without deep penetration, helping to inhibit and soothe harmful bacteria by disrupting their reproduction and metabolism.

Silver Combine Gel 1, 10ml

prod.NO #2.80110

Enhanced adhesion

The foundation for all silver gels. Applied to irregular nails after scaling, this gel effectively fills in uneven nail surfaces.

Do not remove the uncured gel after use.

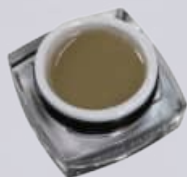

Silver Combine Gel 2, 15g

prod.NO #2.80215

A follow-up to
Combine Gel 1

Ideal for nails prone to surface fungus and can be used as base gel before regular gel coloring.

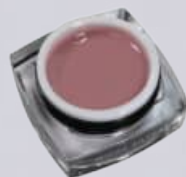

Silver cover-up Gel, 15g

prod.NO #2.80315

Overlay

A semi-opaque gel with minimal heat and a yellowish-gray tint, designed to achieve a natural nail appearance. Periodic sculpting is feasible.

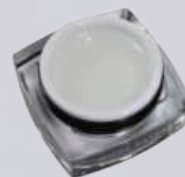

Silver Modeling Gel, 15g

prod.NO #2.80415

Extension / Modeling

Low heat application, perfect for securing after wire adjustments. Its firmness is ideal for fixing ingrown toenails and achieving natural-looking nails without color.

Silver Pure Top Gel, 15g

prod.NO #2.80515

High gloss
Low viscosity

An ultra-transparent hue for a natural-looking finish.

Silver Snow Top Gel, 15g

prod.NO #2.80615

High gloss
Low viscosity

Its translucent white color helps give problematic nails a healthy appearance.

OZONE VITALITY

LIVELY AND BRIGHT

Healthy Skin with Ozonated Olive Oil

Contains ozonated oil with remarkable antiseptic properties to help shield against harmful ingredients without irritating the skin

Ozonated Olive Oil

Ozonated olive oil is a highly concentrated oil, without the use of purified water, that aids in sanitizing, regenerating, and moisturizing.

Ozonide

Ozonide, a pentagonal compound in oil, has antibacterial properties against harmful bacteria, helping to protect the skin from harmful ingredients and promoting healthy skin.

Ozone Vitality Scrub, 200g

prod.NO #4,110200

Hypoallergenic Exfoliation,
Skin Soothing

**Kale extract, ginseng callus culture extract,
centella asiatica extract, kava kava leaf extract**

Walnut tree fruit shell powder is used to exfoliate and soften the skin. Kale extract, centella asiatica extract, and kava kava leaf extract help soften and soothe the skin, while ginseng callus culture extract provides relief to sensitive skin.

Ozone Vitality Serum, 15ml

prod.NO #4,111015

Highly antiseptic,
skin protective

Ozonated olive oil

Highly concentrated 100% pure ozonated olive oil with exceptional antiseptic properties safeguards and promotes healthy skin.

Ozone Vitality Cream, 100ml

prod.NO #4,112100

Skin protection,
skin soothing

**Peony extract, honey extract,
centella asiatica extract, peptide**

Peony extract helps alleviate sensitive skin, while honey extract and centella asiatica extract soothe and calm skin irritation. Peptides protect the skin from harmful elements and promote healthy skin through skin cell regeneration, offering excellent anti-aging and anti-wrinkle benefits.

Ozone Vitality Mist, 80ml

prod.NO #4,113080

Skin Soothing,
skin moisturizing

**Ozonated olive oil, naturally derived patented extract,
centella asiatica extract, isatic tinctoria root extract**

High-concentration ozonized olive oil maximizes skin effectiveness and protects the skin from harmful ingredients, including harmful bacteria. Patented ingredients made by combining 7 natural ingredients soothe the skin and help protect and moisturize it. It contains natural ingredients that help relieve inflammation and soothe the skin.
